

Recommended Browsers

Google Chrome (Version 62 or higher versions)

Time zone

Applicant must synchronize his device time with the IST (Indian Standard Time)

How do the Applicant attempt online Exam?

- 1) Applicant must browse <http://aarambh.assesscore.in> at the right date and time of exam.
- 2) The website mentioned above is only enabled for larger display devices such as Laptops/Desktops. For smaller screen devices such as Mobile/Tablets, please download our android mobile app using <https://play.google.com/store/apps/details?id=in.assesscore>
- 3) Make sure that you have an active internet connection and sufficient network bandwidth (Min Recommended Speed – 512kbps) throughout the online examination
- 4) Login using the provided credentials. We recommend checking your login credentials at-least few minutes before the examination to make sure they work fine.
- 5) Password is **case-sensitive**, so please ensure that you are entering the exact text as provided
- 6) Go through the user manual provided by us before hand to avoid any last-minute issues.
- 7) If your test is not live at the expected start time, refresh the Test Home page.

Steps to be taken during the examination

- 1) Users can refresh the browser in case of any issues.
In case of **lost internet connectivity, do not refresh** the browser immediately and wait for internet connectivity to be restored before refreshing page.
 - 2) Users with uneven screen resolutions can adjust their screen using ZOOM IN (**CTRL +**) or ZOOM OUT (**CTRL -**) of browser
 - 3) Do not close the browser during the examination
 - 4) Never login or log-out during the examination
 - 5) Do not click on any buttons/actions multiple times before at least waiting few seconds. The response sometimes might be slow due to poor internet connectivity.
 - 6) If the windows tab containing the examination is closed mid-way, do not relogin. You can continue your examination by going back to the student dashboard using aarambh.assesscore.in/home in the same browser and try to resume the test.
-

- 7) In case of any issues with the device, you can resume your examination in any other supported device. In case of the device change, automatically saved latest user data will be carried forward to the new device. We recommend avoiding such scenario.
- 8) Do not clear the browser cookies or cache during the examination
- 9) Images in the question paper will not load in case of lost internet connection. To access the images, refresh the page once the internet connection is active
- 10) Do not close the browser immediately after you click on 'finish', wait for the submission to be complete and site to be redirected to Test Home Page where you started the test.
- 11) Log out and close the browser once the test is redirected to exam home page
